PACKAGE INFORMATIONS:

The Reseller Midi web hosting plan is intended for both individuals and legal entities and designed to host an unlimited number of web domains. The main advantages of this hosting plan are high storage space, WHM server access, isolation from shared network by allocating one dedicated IPv4, dedicated IPv6 for each account, private nameservers, the ability to resell the space allocated under personal branding, free technical assistance. The plan is hosted on the latest equipments with SSD. The free domain is offered in the first year .

Shown prices do not include 20% VAT. Invoices are issued in RON at the current exchange rate.
